REPRESENTATIVE REGINA BARROW EDUCATES COMMUNITY LEADERS ABOUT IMPORTANT PROGRAM TO HELP UNINSURED RESIDENTS OF BATON ROUGE

On Friday, August 11, Representative Regina Barrow teamed up with Together Rx Access to host a luncheon in Baton Rouge. The purpose of the luncheon was to provide information on the uninsured population in Baton Rouge and to provide information on how Together Rx Access can help. Forty leaders of influential community-based organizations gathered for this luncheon.

Together Rx Access is a coalition of 10 pharmaceutical companies that have joined together to provide an important option to help hardworking Americans gain

access to meaningful savings on a wide range of prescription products.

Through this program, eligible individuals who do not have prescription drug coverage and are not eligible for Medicare can receive a free Together Rx Access Prescription Savings Card. The card provides access to savings on hundreds of brand-name prescription products. The card is free and easy to use.
